Sir

As called for in your No. 290 Muz 792-9. dated. 30th December 1892, I have the honor to submit herewith copy of letter No. 29 dated 2nd Inst, from the Moozrai Officer, with plan and estimate, received therewith. The sale of the old chattram building with site and the site in front of it has fetched a sum of Rs 791. Deducting this sum from the estimated cost of Rs 3488 of the new chattram there remains Rs 2697. I thoroughly approve of the suggestion of

building a new Chattram and solicit sanction for this sum, viz Rs 2697, being met out of Provincial Funds as no funds are now available from the district Funds.

I further beg to bring to the notice of Government that the towns people of Kadur have come forward in a very liberal way in the late improvements and deserve to be encouraged as much as possible.

Sir

With reference to Inspr Secretary's docket No 290/M92-92 dated 30th December 1892 (enclosed in original), I have the honor to submit herewith the fresh estimate for Rs 3488 and plan received from the Amildar of Kadur for perusal and transmission to Govt for sanction.

As regards the cost of the new Chattram I beg to state that there is a surplus Fund of Rs 300-9-2 at the credit of the Chattram but that sanction of Govt is accorded for utilizing the same towards carrying out of the necessary repairs

of the Kandya temples vide Govt Proofo. No 1392-93/49 dated 27th May 1889. The old chattram and the site in front have been sold for 791 Rupees, and the sale has been submitted for confirmation in this office docket No 28 dated 2nd February 1893.

I therefore recommend that the extra cost viz Rs 2697 exclusive of the Surplus Funds at the credit of Chattram and the sale proceeds for the construction of the new chattram may kindly be sanctioned from the Provincial Funds as no other Funds are available and as no provision was made from the District Funds in the last Budget Meeting.

On the 29th ultimo, I inspected the site which has met with your approval with the new plans and estimate. The proposed building if completed will be a model Chattram well

well suited for the convenience of all classes of travelling public.

Sir,

With reference to Clause 1 & 2 para 2 of Your docket No. 519 Secy: 7.92.92. dated 19th February 1893 regarding the Construction of a new Chattram at Kadur, I have the honor to submit herewith for sanction a revised Estimate & Plan for Rs: 1091/- for improving the old Police lines now being temporarily used as a Feeding Chattram and Constructing a small build adjacent to it to answer all reasonable purposes of a Feeding Chattram.-

2. Kadur is a rising town much frequented by travellers who halt there on their way to Shimoga, Koppi, Subbarayan Belur &c. It will take nearly six years to accumulate Rs 2393-6-10 sloppin

of any pending expenses of the Dept of Establishment. It is not therefore considered to stop pending for such a long period to the commencement of Pooja Festivals.

As regards Clause 3 para 2 of the above, I beg to state that there is a sum of Rs 30451-11-6 in the Management Head at the credit of the Institute, and as proposed Rs 300-9-2 may be sanctioned out of the Management funds of the Institute towards the repairs of the Khandya Temple in lieu of Rs 300-9-2, the Surplus funds of the Kaara Chattram, the amount being distributed Pro-rata among the other Institutions of the Institute.

4. I therefore solicit the favor of your kindly obtaining the early sanction of Government for the Estimate of Rs 1091/= now submitted, the cost being met from the Surplus funds of the Chattram and Sale Proceeds of the old Chattram.

5. The Estimate for Rs 2488/= was originally submitted for sanction with a view that the building may serve

Sir,

In forwarding herewith the Vernacular record pending with the Kadur Amildar's report No 76 of the 14th August 1902 in re the repairs to the Government Anna Chattram at Kadur, I have the honor to state that the repairs as per Estimate submitted by the Amildar are very necessary and I therefore solicit sanction to the same.

The Estimated Cost amounts to Rs 1230/- whereas only a Sum of Rs 185-9-0 is stated to be available under the head Surplus Funds of the Chattram at the end of June last.

To allow sufficient funds being accumulated, the feeding in the Chattram was ordered to be stopped since July 02.

The Amildar now reports that much inconvenience

inconvenience will be felt by travellers on pilgrimage to Udapi and other parts if the Chattram be closed for more than 6 months and that only Rs 393-5-0 Can be saved during that period including the balance on hand.

In these circumstances, the favor of Government Sanction is solicited for carrying out the necessary repairs, the extra charge of Rs 836-11-0 (deducting Rs 393-5-0 being the amount that will be saved at the end of December) being Sanctioned from the State Grant allotted repairs to Muzrai Buildings in the Current official year.

3. In reply, the Dy

that he inspected the
Chattrum on the 25th
December 1902 and found
that

that the items of work detailed in the accompanying revised Estimate for Rs 635 (which is less than the original Estimate by Rs 595) are absolutely and urgently required.

He therefore recommends that this revised Estimate be sanctioned, the charge being met from the savings already effected by stopping the Chattram funding from July 1902 and the balance from the State Grant.

As regards his predecessor (Mr B. S. Krishnaiyar) having closed the Chattram without the previous sanction of Government, as Dy Comm. quotes the authority

authority of the Chief Commr's Cir No 4 dated 3rd October 1871. He further states, that the funding in the Chattisgarh may be continued if necessary funds are allotted out of the State Grant for carrying out the work shown in the revised Estimate.

If the revised Estimate for Rs 635 is sanctioned, the cost will have to be met as follows: —

Rs 185-9-4 } Being the amount of savings upto the end of June 1902

I have the honor to state as follows:-
On personal inspection, it was found
necessary to revise the Estimate. Burnt brick

Deputy Commissioner's Office
Kadur District

Dated, Chikamagalur 1st November 06

From

D. Devaraya Urs Esqnire,
Deputy Commissioner,
Kadur District

To L. Anantasami Rao Esqnire B.A.
Secretary to the Government of
H. H. the Maharaja of Mysore

Sir,

Adverting to Government Proceedings
No 2896-7 dated the 6th January 1906 sanc-
-tioning an estimate for Rs 874/- for
repairing the Government Amma Chathram
at Kadur, I have the honour to state
that in the execution of the work, hard
soil was not met with and the deepening
of earth to lay out the foundation
had to be increased by one foot.
Further my predecessor Mr. Chenjiah Chetty
seems to have suggested the desirability
of providing concrete to the extent of

one

one foot and other items of work
view to make the building more suitable
The result is that an extra sum of
Rs 241/- over that already
is reported to be needed Accordingly
the revised estimate therefor together
with a Comparative statement is
herewith forwarded for favour of
sanction.

I had recently inspected the
progress of this work in Kadur. It
appeared to me that the site for
the Chatteram could have been
selected in a convenient locality
outside the fort instead of at the
very entrance where which might
possibly give rise to infectious
diseases. My suggestion now would
of course be too late, as some subs-
-stantial work has already been done

I have the honour to be
Sir,
your most obedient servant

Dy Deputy Commissioner
